Address: 158-20 101st St, Howard  
Beach, NY 11414  
Phone: (718) 848-7440

### *Good Morning Our Lady of Grace Community,*

I hope everyone had a good and safe weekend. I believe it is safe to say the 2019-2020 school year is one we will all remember. As we approach the end of the school year with less than two weeks left, we are so close to the finish line.

In 2020 we have experience things we never have in life. We transitioned to remote learning while finding creative ways to be entertained while being at home. As we approach the last two weeks of the school year, I encourage you all to please take a second and reflect on how far you have come. This experience was not easy for anyone, but you all made the sacrifices needed to ensure your child was safe and receiving the best education possible under the circumstances.

The journey to present day has not been an easy one but together we prevailed.
